Paragraph [] of the attached regulation requires that experts or consultants shall submit T&A reports reflecting actual hours worked. I have discussed this matter with [] in relation to the dual compensation statutes and was advised that the procedure is designed to establish the fact of actual work on the part of experts or consultants on a true fee basis. Mr. [] stated that it was unimportant whether the fee expert or consultant worked two hours or eight hours or 18 hours, since he would receive payment for his work without relation to the time element.
